

**Remarks**

Applicants have cancelled original claims 1-36 without prejudice or disclaimer of Applicants' right to file divisional and/or continuation applications. Applicants have added new claims 37 – 84 and respectfully submit that no prohibited new matter has been introduced by the amendments. For example, support for decreasing mean soluble A $\beta$ -40 by about 35% can be found in Fig. 12. Support for decreasing soluble A $\beta$ -40 by between about 8% and 50% can be found in Fig. 12. support for decreasing mean soluble A $\beta$ -42 by about 59% can be found in Fig. 13. Support for decreasing soluble A $\beta$ -42 by between about 25% and 77% can be found in Fig. 13. Support for decreasing mean total APP by about 40% can be found in Fig. 14. Support for decreasing total APP by up to about 67% can be found in Fig. 14.

Applicants have amended the specification to specifically reference the prior applications to which Applicants claim benefit of priority. No new matter has been added by this amendment.

Applicants believe the claims, as currently presented, are in condition for allowance and respectfully request early notification to that effect.

Respectfully submitted,
